Pediatrics	Anesthesiology, resuscitation and intensive care
Anesthesiology and resuscitation (DPO)	Anesthesiology and resuscitation
General Medicine (International Faculty of General Practitioner)	Anesthesiology, resuscitation and intensive care
Transfusiology (DPO)	Intensive therapy

Last advanced training: anesthesiology-resuscitation - 2021

Total work experience: 31 years

General scientific and pedagogical experience: 25 years

Nedashkovsky Eduard Vladimirovich

Academic degree: Doctor of Medical Sciences

Academic title: Professor

Name of the direction of training (specialty)	Subjects taught
Anesthesiology and resuscitation (residency)	Anesthesiology and resuscitation
Anesthesiology and resuscitation (DPO)	Anesthesiology and resuscitation
Transfusiology (DPO)	Clinical Transfusiology

Last advanced training: anesthesiology-resuscitation - 2022

Total work experience: 59 years

General scientific and pedagogical experience: 55 years

Kuzkov Vsevolod Vladimirovich

Academic degree: Doctor of Medical Sciences

Academic title: associate professor

Name of the direction of training (specialty)	Subjects taught
Medical business	Anesthesiology, resuscitation and intensive care
Anesthesiology and resuscitation (residency)	Anesthesiology and resuscitation
Emergency Medical Services (Residency)	Emergency
Pediatrics	Anesthesiology, resuscitation and intensive care
Anesthesiology and resuscitation (DPO)	Anesthesiology and resuscitation
Transfusiology (DPO)	Clinical Transfusiology

Last advanced training: anesthesiology-resuscitation - 2021

Total work experience: 24 years

General scientific and pedagogical experience: 20 years

Bobovnik Sergey Viktorovich

Academic degree: candidate of medical sciences

Academic title: associate professor

Name of the direction of training (specialty)	Subjects taught
Anesthesiology and resuscitation (residency)	Anesthesiology and resuscitation
Emergency Medical Services (Residency)	Emergency
Ambulance Service (DPO)	Emergency
Anesthesiology and resuscitation (DPO)	Anesthesiology and resuscitation
Transfusiology (DPO)	Clinical Transfusiology
Transfusiology (Residency)	Clinical Transfusiology

Last advanced training: anesthesiology-resuscitation - 2021

transfusiology - 2021

Total work experience: 39 years

General scientific and pedagogical experience: 21 years

Uvarov Denis Nikolaevich

Academic degree: candidate of medical sciences

Academic title: no

Name of the direction of training (specialty)	Subjects taught
Medical business	Anesthesiology, resuscitation and intensive care
Anesthesiology and resuscitation (residency)	Anesthesiology and resuscitation
Emergency Medical Services (Residency)	Emergency
Pediatrics	Anesthesiology, resuscitation and intensive care
Anesthesiology and resuscitation (DPO)	Anesthesiology and resuscitation
Medical and preventive business	Resuscitation, intensive care

Latest advanced training: ultrasound diagnostics - 2020

Last advanced training: anesthesiology-resuscitation - 2020

Total work experience: 22 years

General scientific and pedagogical experience: 20 years

Smetkin Alexey Anatolevich

Academic degree: candidate of medical sciences

Academic title: associate professor

Name of the direction of training (specialty)	Subjects taught
Medical business	Anesthesiology, resuscitation and intensive care
Medical business	Intensive therapy
Interdepartmental training (residency)	Urgent Care
Medical business	Critical Care Therapy
Emergency Medical Services (Residency)	Emergency
Pediatrics	Anesthesiology, resuscitation and intensive care
Anesthesiology and resuscitation (DPO)	Anesthesiology and resuscitation
Medical and preventive business	Resuscitation, intensive care
Transfusiology	Clinical Transfusiology
Ambulance Service (DPO)	Emergency

Last advanced training: anesthesiology-resuscitation - 2021

Latest advanced training: emergency medical care - 2020

Total work experience: 16 years

General scientific and pedagogical experience: 15 years

Fot Evgenia Vladimirovna

Academic degree: candidate of medical sciences

Academic title: associate professor

Name of the direction of training (specialty)	Subjects taught
Medical business	Anesthesiology, resuscitation and intensive care
Interdepartmental training (residency)	Urgent Care
Medical business	Critical Care Therapy
Emergency Medical Services (Residency)	Emergency
Anesthesiology and resuscitation (residency)	Anesthesiology and resuscitation
Pediatrics	Anesthesiology, resuscitation and intensive care
Anesthesiology and resuscitation (DPO)	Anesthesiology and resuscitation
Medical and preventive business	Resuscitation, intensive care

Last advanced training: anesthesiology-resuscitation - 2020

Total work experience: 12 years

General scientific and pedagogical experience: 11 years

Antipin Eduard Eduardovich

Academic degree: Doctor of Medical Sciences

Academic title: no

Name of the direction of training (specialty)	Subjects taught
Anesthesiology and resuscitation (residency)	Anesthesiology and resuscitation
Ambulance Service (DPO)	Emergency

Last advanced training: anesthesiology-resuscitation - 2020

Total work experience: 32 years

General scientific and pedagogical experience: 10 years

Hussein Ayaz

Academic degree: candidate of medical sciences

Academic title: no

Name of the direction of training (specialty)	Subjects taught
Medical business	Anesthesiology, resuscitation and intensive care
Interdepartmental training (residency)	Anesthesiology, resuscitation and intensive care
General Medicine (International Faculty of General Practitioner)	Anesthesiology, resuscitation and intensive care
Emergency Medical Services (Residency)	Emergency
Anesthesiology and resuscitation (residency)	Anesthesiology and resuscitation
Anesthesiology and resuscitation (DPO)	Anesthesiology and resuscitation

Last advanced training: anesthesiology-resuscitation - 2018

General work experience: 6 years

General scientific and pedagogical experience: 5 years

Sokolova Maria Mikhailovna

Academic degree: candidate of medical sciences

Academic title: no

Name of the direction of training (specialty)	Subjects taught
Medical business	Anesthesiology, resuscitation and intensive care
Pediatrics	Anesthesiology, resuscitation and intensive care
Medical and preventive business	Resuscitation, intensive care
Anesthesiology and resuscitation (residency)	Anesthesiology and resuscitation
nursing	Nursing in anesthesiology and resuscitation

Last advanced training: anesthesiology-resuscitation - 2020

General work experience: 10 years

General scientific and pedagogical experience: 4 years

Malyskin Evgeny Alexandrovich

Academic degree: candidate of medical sciences

Academic title: no

Name of the direction of training (specialty)	Subjects taught
Anesthesiology and resuscitation (residency)	Anesthesiology and resuscitation
Ambulance Service (DPO)	Emergency

Last advanced training: anesthesiology-resuscitation - 2022

Total work experience: 23 years

General scientific and pedagogical experience 7 years

Borisov Dmitry Borisovich

Academic degree: Doctor of Medical Sciences

Academic title: associate professor

Name of the direction of training (specialty)	Subjects taught
Anesthesiology and resuscitation (residency)	Anesthesiology and resuscitation
Transfusiology (DPO)	Clinical Transfusiology

Last advanced training: anesthesiology-resuscitation - 2021

Total work experience: 24 years

General scientific and pedagogical experience: 7 years

Saskin Vitaly Alexandrovich

Academic degree: candidate of medical sciences

Academic title: no

Name of the direction of training (specialty)	Subjects taught
Anesthesiology and resuscitation (residency)	Anesthesiology and resuscitation
Ambulance Service (DPO)	Emergency

Last advanced training: anesthesiology-resuscitation - 2019

Total work experience: 23 years

General scientific and pedagogical experience: 7 years

Svirsky Dmitry Alekseevich

Academic degree: candidate of medical sciences

Academic title: no

Name of the direction of training (specialty)	Subjects taught
Medical business	Critical Care Therapy
Emergency Medical Services (Residency)	Emergency
Pediatrics	Anesthesiology, resuscitation and intensive care
Anesthesiology and resuscitation (residency)	Anesthesiology and resuscitation
Interdepartmental training (residency)	Urgent Care
Anesthesiology and resuscitation (DPO)	Anesthesiology and resuscitation

Last advanced training: anesthesiology-resuscitation - 2019

Total work experience: 14 years

General scientific and pedagogical experience: 10 years

Volkov Dmitry Alexandrovich

Academic degree: no

Academic title: no

Name of the direction of training (specialty)	Subjects taught
Medical business	Anesthesiology, resuscitation and intensive care
Pediatrics	Anesthesiology, resuscitation and intensive care
